

Lisa Stewart Designs is a luxury fine art and gift line.

Lisa Stewart is an award-winning designer, artist, and as CREATIVEGoddess and CEO of Lisa Stewart Designs, Lisa is a blended spirit and visionary.

Lisa's creative intuition frees her to explore past techniques with today's modern applications infusing art with personal lifestyle. Motivated by the need to exhibit individualism, Lisa crafted a line of elegant personal accessories in fine materials based on her calligraphic illustrations and now gives every woman an opportunity to express her style through gorgeous wearable art.

An expert as artist entrepreneur, Lisa also specializes in helping galleries and fine artists cultivate their small business brand.

Press & Contributions Lisa's fine art and gifts have been featured in Giftware News, Gift Shop, Pet Age, Gifts & Decorative Accessories, Modern Dog, Modern Cat, Dwell, Total Art Licensing, and The Crafts Report.

Awards & Recognition Most recently, Lisa is a 2011 NICHE Award Finalist celebrating creative distinction, innovation, surface design technical excellence, and market viability in North American fine craft. Additionally, Lisa's art and design have been highlighted in Strokes of Genius: The Best of Illustration, inaugurating a juried series by North Light Books and a contributor to Creative Workshop, 80 Design Challenges.

Author An expert as artist entrepreneur, Lisa has contributed her business savvy and technology tips to The Artists Magazine, 2010 Artists & Graphic Designers Market, ArtistsNetwork.com, and hosts INDIECreatives.com, a coaching and strategy community for creative entrepreneurs.

Charity As a strong pet advocate, Lisa donates design work and a portion of sales proceeds to local and national pet rescue organizations. Equally near to her heart, Lisa annually donates a portion of her sales proceeds to The Women's Center, empowering low-income women and teens.

Services/Products

Wearable Fine Art & Gifts

Our fine art and gifts are inspired by travel, infusing the beauty of other cultures and innovating past techniques with today's modern applications. We help you cultivate sophisticated style through elegant design and innovative products using luxury materials for you and your home.

My art appeals to sophisticated enthusiasts around the World and encompasses a broad range of products that include home décor, wall art, jewelry, fashion accessories, leather goods and more.

Custom & Bespoke

We enjoy collaborating with great clients to develop special projects with our art and design through custom and bespoke product development. Among many projects, Lisa is currently working to develop a custom journal line; garden sculpture; woven textiles for tabletop, home decor, and fashion; as well as products for an upcoming movie, to name a few.

License Philosophy

Lisa's artwork is available for license on a variety of product formats with select manufacturing partners. While we typically work from a master product plan with our current Lisa Stewart licensees, we are also excited to speak with potential licensees who create quality products, understand our brand and envision a powerful partnership with Lisa Stewart Designs.

Elegant Logos/ID Systems

Succinctly representing your company and enhancing your brand with grace and integrity based on calligraphic imagery.

At Lisa Stewart Designs, we believe that beautiful art should be a part of your life. Our handcrafted fine art, fashion accessories and gifts are specifically designed to enhance your personal sense of style and sophistication.
